

DIRECCIONES:

Cómo PIN de la tarjeta de pago electrónico en la aplicación Go Program Way2Go Card

1) Descargue la aplicación **Go Program Way2Go Card** de la tienda de aplicaciones (Apple o Android)

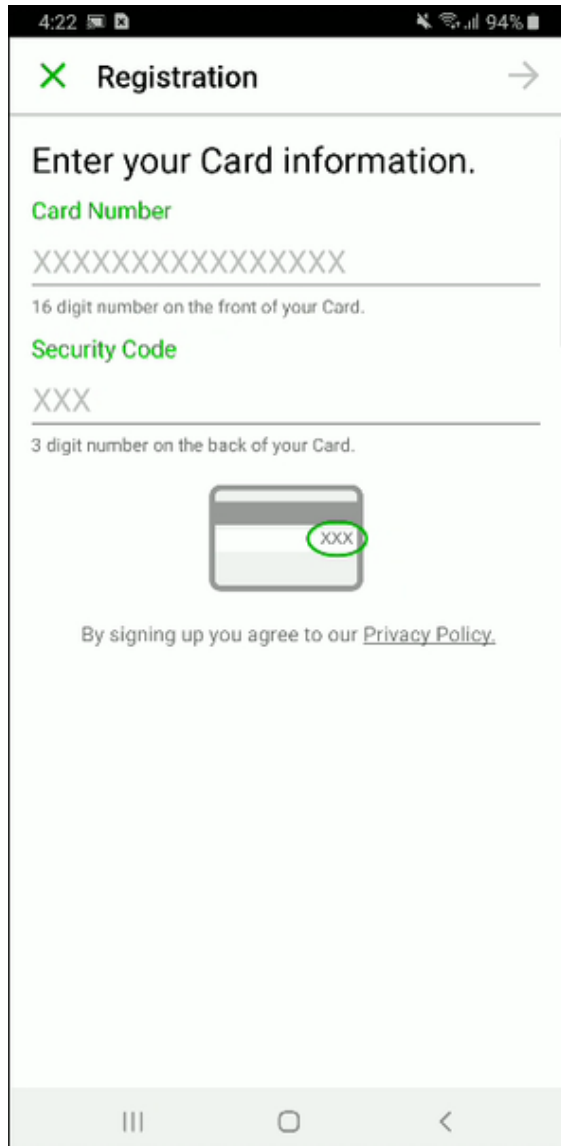

2) **Inscríbase para uso en línea y móvil**

El usuario debe registrar su cuenta de aplicación móvil antes de activar la tarjeta. Tenga en cuenta que la aplicación móvil y el sitio web goprogram.com utilizan los mismos inicios de sesión de usuario una vez establecidos. Si ya registró su tarjeta Way2Go en el sitio web, no es necesario que se registre en la aplicación móvil. Simplemente puede iniciar sesión en la aplicación móvil para acceder a su cuenta.

3) Registro

Ingrese su número de tarjeta Way2Go y el código de seguridad de tres dígitos (CVV) en la parte posterior de la tarjeta.

The screenshot shows a mobile application interface for registration. At the top, the status bar displays the time 4:22, signal strength, Wi-Fi, and 94% battery. The app header is titled "Registration" with a green 'X' icon on the left and a right-pointing arrow on the right. The main heading is "Enter your Card information." Below this, there are two input sections: "Card Number" with a field containing "XXXXXXXXXXXXXXXXXX" and a note "16 digit number on the front of your Card.", and "Security Code" with a field containing "XXX" and a note "3 digit number on the back of your Card.". An illustration of a card with "XXX" circled in green is shown below the security code field. At the bottom, a text line reads "By signing up you agree to our [Privacy Policy](#)." The Android navigation bar is visible at the very bottom.

4) Ingrese su identificación única (identificación de participante) y fecha de nacimiento

Registration

Create your User ID and password. These will be the same when you log in at GoProgram.com

User ID

8 to 10 letters or digits

Password

9 to 16 characters. Use at least one number, one uppercase letter, and one lowercase letter. The following characters may also be used [@\$%^&*_{}.:~?]

Retype Password

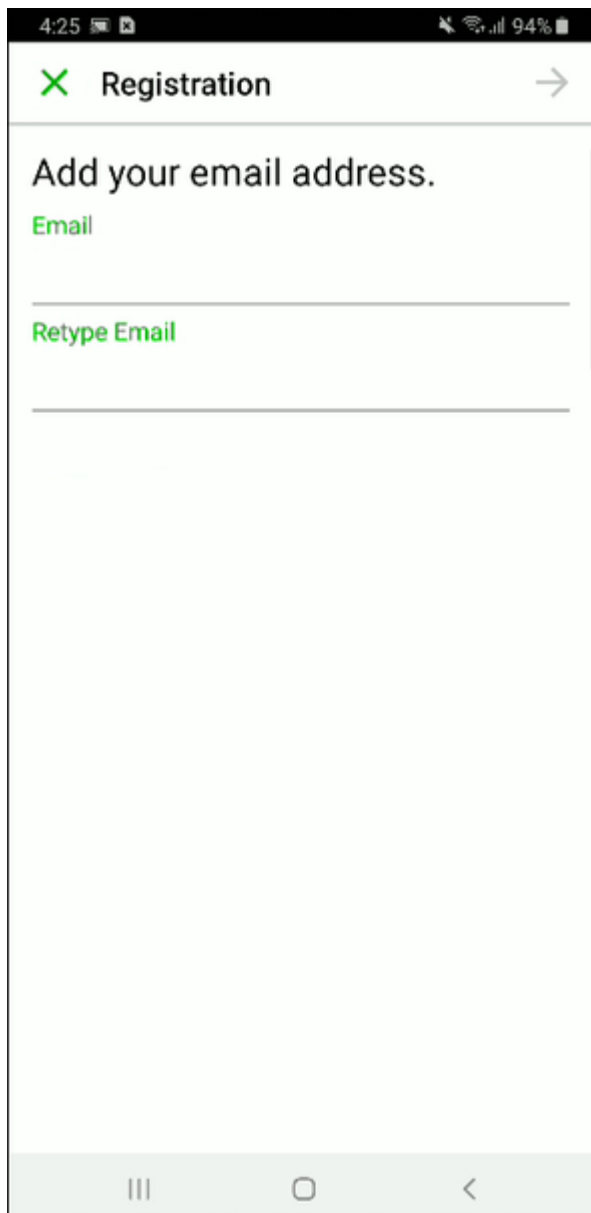

three + five?

four

eight

REFRESH

6) Ingrese su dirección de correo electrónico dos veces para confirmar.

The image shows a mobile application interface for registration. At the top, the status bar displays the time 4:25, signal strength, Wi-Fi, and 94% battery. Below the status bar is a header with a green 'X' icon, the text 'Registration', and a right-pointing arrow. The main content area has a light green background and contains the text 'Add your email address.' followed by two input fields. The first field is labeled 'Email' and the second is labeled 'Retype Email'. Both fields are currently empty. At the bottom of the screen is a grey navigation bar with three icons: a square, a circle, and a left-pointing arrow.

7) Seleccione y responda una pregunta de seguridad.

The screenshot shows a mobile application interface for registration. At the top, the status bar displays the time 4:26, signal strength, Wi-Fi, and 94% battery. The app's title bar reads "Registration" with a green 'X' icon on the left and a right-pointing arrow on the right. The main content area is titled "Select a security question and answer." and is divided into three sections: "Question", "Answer", and "Confirm Answer". The "Question" section contains the text "WHAT WAS THE FIRST NAME OF YOUR BEST FRIEND IN HIGH SCHOOL?" with a dropdown arrow. Below it is a horizontal line and the text "Select security question from the list". The "Answer" section has a horizontal line, followed by the text "Answer for security question. Cannot contain ;',<->/*& \ and must be at least 3 characters in length." The "Confirm Answer" section has a horizontal line and the text "Confirmation for security answer". At the bottom, there is a navigation bar with three icons: a vertical bar, a circle, and a left-pointing arrow.

8) **Activación de la tarjeta**

Se le dirigirá automáticamente a la pantalla de activación de la tarjeta como parte del proceso de registro *inicial*. Deberá crear un número PIN de 4 dígitos para activar la tarjeta.

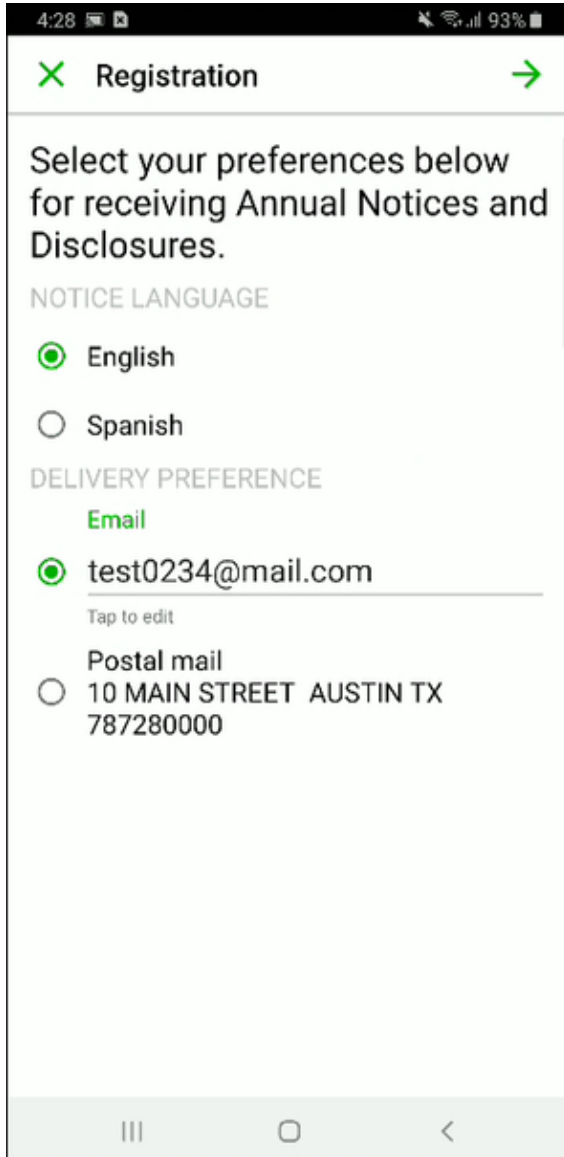

9) Deberá volver a ingresar el mismo PIN para confirmarlo.

- 10) Al igual que en el sitio web Goprogram.com, debe seleccionar una imagen de seguridad que se utilizará como autenticación para futuros inicios de sesión.

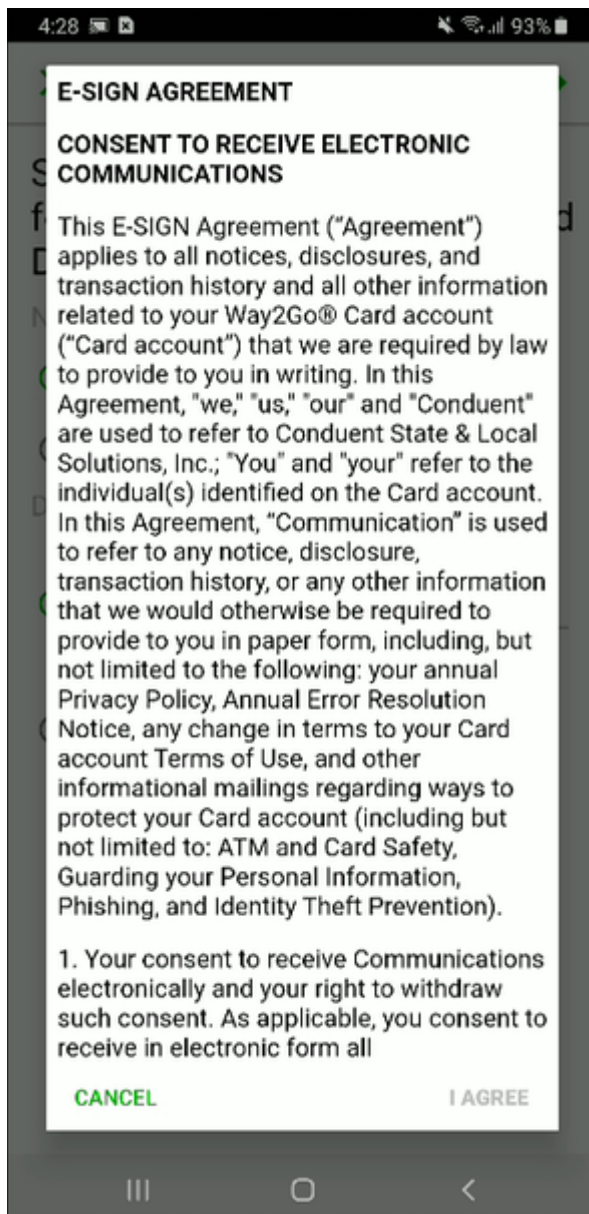

11) Debe seleccionar su idioma preferido y correo electrónico o correo postal para notificaciones y divulgaciones futuras.

The screenshot shows a mobile application interface for registration. At the top, the status bar displays the time 4:28, signal strength, Wi-Fi, and 93% battery. The app header is titled "Registration" with a green 'X' on the left and a green arrow on the right. The main content area has a heading: "Select your preferences below for receiving Annual Notices and Disclosures." Below this, there are two sections: "NOTICE LANGUAGE" and "DELIVERY PREFERENCE". Under "NOTICE LANGUAGE", there are two radio button options: "English" (selected) and "Spanish". Under "DELIVERY PREFERENCE", there are two options: "Email" (selected) and "Postal mail". The "Email" option is further detailed with a radio button, the email address "test0234@mail.com", a horizontal line, and the text "Tap to edit". The "Postal mail" option is also detailed with a radio button and the address "10 MAIN STREET AUSTIN TX 787280000". At the bottom of the screen, there is a navigation bar with three icons: a vertical bar, a circle, and a left-pointing arrow.

- 12) También tiene la opción de aceptar recibir avisos, declaraciones y divulgaciones electrónicamente.

- 13) Una vez que seleccione Aceptar, su tarjeta Way2Go se activará y estará lista para usar.
